**1. LOS ANGELES**  
**HAEFELE DESIGN, INC.**

One of the most visually pleasing aspects of this Malibu, California, oceanfront home's streamlined kitchen is its marble waterfall island with a custom solid teak wood bar top that cantilevers asymmetrically.

**2. DALLAS + FORT WORTH**  
**SMITHARC ARCHITECTS**

A study in contrasts, this Dallas kitchen features a limited yet rich palette of marble and glass set against a background of warm, tactile oak planking.

**3. CHICAGO**  
**ROBBINS ARCHITECTURE**

Located on Lake Mendota in Madison, Wisconsin, this home's kitchen combines a livable modern feel with the charm of the lake vernacular; expansive windows capture the surrounding views.

**4. COLORADO**  
**ANDREA SCHUMACHER INTERIORS**

Loved ones easily gather at this Bellaire, Texas, kitchen's double islands and dining table; custom iron cabinets and one for working—located in a midcentury modern Denver home.

**5. NEW YORK**  
**DOUGLAS C. WRIGHT ARCHITECTS**

This Short Hills, New Jersey, kitchen with a generous island at its center features a mix of raw-wood cabinet fronts, thick glass counters, and traditional glass-and-wood upper cabinets.

**6. HOUSTON**  
**MARIE FLANIGAN INTERIORS**

Loved ones easily gather at this Bellaire, Texas, kitchen's double islands and dining table; custom iron cabinets and one for working—located in a midcentury modern Denver home.

**7. ARIZONA**  
**THE REFINED GROUP**

Designed to reflect the client's experiences in the European countryside, this sophisticated Phoenix kitchen is awash in sage green and features custom lanterns, Calacatta countertops and reclaimed beams.

**8. PALM BEACH | BROWARD**  
**JMA INTERIOR DESIGN, INC.**

Pale green subway tile sets the tone for this Jupiter, Florida, space, while rift-cut oak on the ceiling beams and vent hood surround adds visual interest and texture.

**9. PACIFIC NORTHWEST**  
**LEEANN BAKER INTERIORS LTD.**

In Mercer Island, Washington, a home's black, white and brass color scheme was woven into the kitchen to help it blend seamlessly with the elegance of the surrounding living spaces.

**10. AUSTIN + SAN ANTONIO**  
**HAVEN DESIGN & CONSTRUCTION**

This San Antonio kitchen answered the clients' request for a light and airy space with white walls, sleek finishes and a transitional-to-modern style; European white-oak flooring adds warmth.

**11. SOUTHERN CALIFORNIA**  
**BLACKBAND DESIGN**

Designed in collaboration with architect Robert Sinclair and builder Andrew Patterson, this modern Newport Beach, California, kitchen blends beauty and functionality with high-gloss white lacquered cabinetry and a spacious marble waterfall island.

**12. SAN FRANCISCO**  
**JENNIFER ROBIN INTERIORS**

A neutral palette gives this Lake Tahoe, California, kitchen year-round suitability, while expansive pivot windows create a breathtaking connection with the outdoors.

**13. BEST OF THE REST**  
**GIEFF CHICK AND ASSOCIATES**

In Santa Rosa Beach, Florida, this kitchen features a striking wall clad in marble tile surrounding a custom stainless vent hood fabricated by Saltwater Steel.
